Understand your preliminary income assessment and your tax assessment notice

**The differences**

**Preliminary income assessment**
This is the Danish Tax Agency’s assessment of your tax budget (income and tax payable for the coming year).
- Budget
- Applies to current or next year
- May be updated several times during the year

**Tax assessment notice**
This is the Danish Tax Agency’s calculation of your final tax for the past year (your actual earnings and tax payments).
- Accounts
- Applies to the past year
- Calculated once a year

**Relevant periods**

You can see your preliminary income assessment for the following year at www.skat.dk/tastselv each year from November.

You can see your tax assessment notice/tax return at www.skat.dk/tastselv each year in March.

**What do I need to do?**

Update your preliminary income assessment when it is available or if:
- your income changes
- you raise a loan
- you start a business
- your distance between home and work changes

Check your tax assessment notice and see if you are entitled to a refund or have to pay more tax:
- Check the information
- Correct information if required
