With this power of attorney form, you can grant next-of-kin or other persons, for example a family member or an adviser, an unlimited power of attorney to represent you as a party.

#### Unlimited power of attorney

If you grant an unlimited power of attorney, the power of attorney holder is authorised to provide/receive all information both in writing and orally as well as to make decisions on your behalf within the area covered by the Danish Tax Agency (Skattestyrelsen).

The power of attorney holder will be your party representative in relation to the Tax Agency, and the power of attorney will give the party representative full powers according to the rules of the Danish Public Administration Act (Forvaltningsloven).

If you instead wish to grant power of attorney for authorisation of party representative in E-tax for individuals (TastSelv Borger), form 02.052 can be used.

#### Period of validity of the power of attorney

If you wish to limit the power of attorney to a specific date, you must write the expiry date at the bottom of the form.

#### Withdrawal of power of attorney
