Guidance

You should use this form if you have received a tax assessment notice/tax return and are not able to use E-tax (The Danish Tax Agency's online self-service system – TastSelv), and if you have deductions for maintenance payments (child/spousal support payments) or private i nterest expenses.

You are paying maintenance
Maintenance paid to your former spouse is tax deductible if the agreement made between you and your former spouse is legally binding or has been approved by a public authority. This applies regardless of whether you are separated, divorced or merely live at separate addresses.

The Danish Tax Agency will include your deduction in your tax assessment notice if Udbetaling Danmark has reported the information to us. If you do not pay maintenance via Udbetaling Danmark, you must enter the deduction yourself on this form or via E-tax.

You are paying child support
Child support payments to your children who are under the age of 18 and are not living with you are tax deductible. A written agreement on the child support payment must have been made either between the parents or via Familieretshuset.

The Danish Tax Agency will include your deduction in your tax assessment notice if Udbetaling Danmark has reported the information to us. If you do not pay child support via Udbetaling Danmark, you must enter the deduction yourself on this form or via E-tax.

Information to be provided
Please provide information about the recipient of the child support/maintenance payments, the period in the income year for which the payments were made, and the amount paid per month. If you paid benefits under a life interest in a property, you only need to state the amount paid.

Private interest expenses
In order to deduct private interest expenses that have not been reported to the Danish Tax Agency, you need to inform us of the lender's identity.

Please provide the lender's CPR number or full name and address, and the amount of interest expense.

If, on the other hand, you paid interest on stateguaran teed student loans from a bank or establishment fees, you only need to inform the Danish Tax Agency of the amount paid.

Submitting this form
The deadline for submitting this form is the same deadline as for your tax assessment notice/tax return. You can enter the infor mation via E-tax together with the information relating to your tax return/tax assessment notice, or you can send the form by post (together with your tax return).

Please send the completed form to:

Skattestyrelsen
Postboks 9
Nykøbingvej 76
4990 Sakskøbing

We will not issue a receipt when we receive this form, but the deductions will appear on your tax assessment notice, which you will receive in mid-April 2026.
