How to fill in the application

If you have been charged German tax of motor fuel (diesel tax) bought in Denmark, you must use this application form to apply for a refund of the Danish diesel tax.

One application form can be used for more than one request for refund of German diesel tax.

To get the refund it is a requirement that you, along with the application, enclose documentation for:

- purchase of motor fuel (diesel) in Denmark
- receipt for the charged German diesel tax
- receipt for the payment of the German diesel tax

All the sections in the application must be filled in.

- 1: Name of the business
- 2: VAT number
- 3: Address of the business
- 4: Post code, city and country of the business
- 5: The phone number of the business
- 6: E-mail of the business
- 7: State the period which the application concerns.
- 8: State the excise duty amount you want refund for. You can calculate the amount by multiply the rates with the numbers of litres. If the application concerns more than one collection/charge, state the entire amount. Please note that there are different rates for diesel and CO₂ tax in 2011, 2012, 2013 and 2014 etc. The rate on diesel in 2014 is 262.6 øre/liter, and the rate on CO₂ tax in 2014 is 44.3 øre/liter. Please contact the Danish Tax Agency if you need the rates for other periods.
- 9: Swift code
